

I'm Free
written by Victoria Bowlin

Verse 1:

The shackles that bound me, the pain and regret
All were removed the day that we met
He gave me a new life free from the shame
My sins are forgiven, oh bless His name

Chorus:

Now I'm free, free, my sins are erased
They've been covered by the blood and His marvelous grace
All my past is behind me, I'm no longer a slave
Thank the Lord, I'm free praise His name

Verse 2:

Temptation no longer has a hold on me
For my Jesus found me and set me free
The trials that I went through are behind me now
For God brought me out by His Holy power

Now I'm free, free, my sins are erased
They've been covered by the blood and His marvelous grace
All my past is behind me, I'm no longer a slave
Thank the Lord, I'm free praise His name

Now I'm free, free, my sins are erased
They've been covered by the blood and His marvelous grace
